

WELCOME TO RESTAURANT ALEX

In the Alex restaurant, our team ensures a soulful atmosphere in the service led by our restaurant manager Cara Schreiber.

The talented kitchen team is led by Head Chef Luigi De Gregorio.

Our dishes excel in craftsmanship, seduce with flavors and are based on high-quality ingredients. We prioritize seasonal products sourced from familiar surroundings. Whether it is meat, fish or vegetables - the utmost care is taken in every aspect.

Our luxury is rooted in nature. We know our producers. As part of The Living Circle, we embody a close connection between agriculture and gastronomy.

Polenta and risotto rice come from our vineyard specializing in agricultural products - Terreni alla Maggia in Ascona.

The eggs are sourced from happy chickens at our Schlattgut farm in Herrliberg.

We obtain our meat from the Keller butcher in Wiedikon.

Bianchi supplies the fish, while the Reichmuth family from Brüggli Fish Farm in Sattel SZ provides the salmon trout.

Adrian, our heroic fish supplier, eagerly embarks on his adventure every morning to supply us with the most delicious whitefish from Lake Zurich.

The bread is baked according to ancient tradition at the Imholz bakery in Adliswil, using a 90-year-old heritage and locally sourced grains.

We receive our fresh fruits and vegetables from Marinello, a local supplier.

This is our definition of luxury
